

The William Henry Smith School

Dear Parent/Carer

As school closes today for half term, we shall continue to ask families to report to school if anyone in the household develops symptoms, or has a positive test result. Please email Caroline Booth at covidreporting@whsschool.org.uk or if critical call 07850227965.

What to do if someone in your household develops symptoms of COVID

- The most common symptoms of COVID are:
- A new continuous cough and/or
- A high temperature and/or
- A loss of, or change in, normal sense of taste or smell (anosmia)

If you or a family member have one of the above symptoms your household must self-isolate and seek a test. Your household should continue to self-isolate until you get your test result and are advised what to do next by NHS Test and Trace. You can arrange a test online at [onlinewww.gov.uk/get-coronavirus-test](https://www.gov.uk/get-coronavirus-test) OR by calling 119.

I wish to thank you for your continued support, and your resilience during these challenging times.

Best wishes

Sue Ackroyd
Principal
