## What We Do

We are Ofsted Outstanding in all areas and have been Ofsted Social Care Outstanding for 15 consecutive years. We provide outstanding progress and outcomes for young people. We work with children and young people across a broad spectrum of social, emotional and mental health challenges. We use our knowledge, experience and expertise to help them *become the best they can be*. Improving Quality of Life underpins all our work.

We have a dedicated training department that provides training to our own staff and to external agencies, sharing knowledge and expertise, locally, regionally, nationally and internationally. As a Centre of Excellence we deliver training to families, schools, colleges, Universities, NQT's, PRU's and Local Authorities.

Our lead trainer has a wealth of knowledge and experience working in SEND settings and is an Executive member of SEBDA. All our trainers are specialists in their field.

We deliver a range of courses throughout the academic year for external agencies at our training venue.

We can also deliver training in your setting at a date and time to suit you and your staff. This can either be delivered on one of your inset days or in part sessions as 'twilight' training at the end of the school day.

## COVID 19

The Covid 19 pandemic has had an impact on how we can deliver our training. Training is now able to be delivered in your setting to a maximum of 12 staff, we are hoping from the September academic year that this can change and we will hopefully be able to deliver more staff. Pre-bookable courses are going to be running from the new academic year from September 2021 through to July 2022.

## Positive Behaviour Support Training

### Talking Strategies to reinforce Positive Behaviour

This training looks behind behaviour, particularly in terms of communication between children and adults. It looks at the best verbal and non-verbal means of communication to avoid conflict and to de-escalate situations in order to prevent physical interventions.

This is key training in order to enable staff to deal with behaviour management issues in the classroom today.

## CEOP

The School is now certified in the 'Thinkuknow' CEOP safeguarding training and able to deliver this to other settings. CEOP Ambassadors can deliver the bespoke Thinkuknow Introduction Course – a series of modules for CEOP Ambassadors to deliver to other professionals.

The CEOP Thinkuknow course lasts three hours and provides an in-depth look at:

- Introduction to CEOP and reporting
- How children and young people use the internet, social media and online technologies
- The nature of online sexual offending against children and young people
- Dealing with incidents of youth produced sexual imagery
- How to deliver strong preventative education on online sexual abuse and exploitation across age groups

### **Working with children and young people with problematic or harmful sexual behaviour**

Organisations are becoming increasingly aware of the prevalence of peer-on-peer abuse. A third of those who have sexually abused a child are under the age of 18, making this an important safeguarding issue. This is an especially difficult issue to deal with because it is not always easy to tell the difference between normal sexual exploration and abusive behaviour. Children, particularly in the younger age groups, may engage in such behaviour with no knowledge that it is wrong or abusive. This two-hour training course will provide professionals with a sound understanding of developmentally appropriate sexual behaviour and practical skills for those working with students who may display problematic or harmful sexual behaviour.

**This training is delivered in 1 ½ hours a cost of £40 per person. (Training held by WHSS – dates at back of programme)**

**For further information on CEOP and Working with children and young people with problematic or harmful sexual behaviour please contact Lisa King.**

All of the courses detailed below are delivered in 3 hours (half day sessions) at a cost of £55 per person (dates at back of programme)
