Dear Families

I do hope you are all well.

I am delighted to share with you the Inspection report following an Ofsted Inspection of our Residential Care Provision. I'm sure you'll agree it is a very positive read.

Thank you very much to families and carers who provided feedback on our questionnaire prior to or during the inspection.

Please be assured that we will use the feedback to continually work to improve, and families who requested more information will be contacted by class teachers or key workers over the next month.

It goes without saying that I, and the Leadership Team, are very proud of the achievements recognised within the inspection report. The boys were exceptionally well behaved during the inspection period, and articulated their experiences very well indeed.

Many thanks to families and carers for your continued support.

Best wishes,

Sue Ackroyd  
Principal
